Thank you very much for your letter of 5 February and for the transcription of the interviews which we have had concerning your book on General Arnold. The copy of the transcript is enclosed with my changes indicated thereon. I should like to have a copy for my files.

Your planned trip to a certain country this summer sounds most interesting, and I appreciated your kind offer to assist us. If agreeable to you, I should like to have a representative of this Agency, who has particular interest in this area, meet with you prior to your departure. If you are planning to be in Washington, would you be good enough to let me know the date so that a mutually convenient time can be arranged.

With best regards,

Sincerely,
